Carly Singleton
Youth Star of Tomorrow

Carly was born on September 15, 2007, to Carolyn and Kenny Singleton. She has one brother Kenny. Carly was first introduced to sport of bowling before she was old enough to join one of the youth leagues at Harford Lanes. Her first love was soccer. But she kept coming back to the bowling alley with her parents, grandmother, and her older brother. Kenny started bowling before Carly did. Carly started bowling at 8 years old under the official coaching of Mr. Bobby Marshall as well as her father, her "built-in coach," Kenny Singleton.

At age 12, Carly quit bowling and continued with her soccer career. Carly loves the game and thought it was the only sport she wanted to play. Then, at fourteen, Carly decided to give bowling another try and join the league with her older brother Kenny, in his last few years of youth leagues. Carly has served as Team Captain for two separate teams in Youth League. She has qualified for Junior Gold four consecutive times and reached an average of what is now higher than 170, a place she only imagined reaching when she first started this journey.

Currently, Carly is in her senior year of high school at Aberdeen High School and will be graduating from the Science and Math Academy. She is a member of the National Honor Society, the Girls' Varsity Softball team, and was a captain for the Girls' Varsity Soccer Team this past season. After high school, Carly plans to major in Exercise Science and earn a master's degree in physical therapy. Carly is looking forward to continuing her bowling career while in college and to improve her game in the future.

The Maryland State USBC Association is proud to recognize Carly Singleton as the 2026 Youth Star of Tomorrow Scholarship recipient.
