Hunter Machin is a 17-year-old Senior at Dundalk High School with a current 3.50 GPA and a 4.38 QPA. Hunter not only excels on the lanes, but also in school. His classes include AP and Honor classes and is currently enrolled at CCBC for a Criminal Justice Internship. He is also a member of the National Honor Society and a member of the Principal's Advisory Board. In September 2016, Hunter was published Nationally in "High School Today", answering the question How has playing high school sports helped you to develop important career skills? submitted by his HS Athletic Director. Besides bowling, Hunter is currently on the Varsity Baseball and Football teams and has earned MVP for Varsity Badminton and Varsity Bowling and JV Baseball. After graduation in May 2018, Hunter's plans are to attend William Paterson for Criminal Justice.

Hunter started bowling at the age of 9, but was practically raised in the bowling a week after birth. Hunter would go to the bowling alley with his brother, mom, dad and grandparents every Saturday night. AMF Country Club was his first taste of a bowling. He would go with his father to 700 Club Tournaments, GBBA City Tournaments and Maryland State Tournaments. He had the bowling bug at an early age.

In 2009 he joined the winter league Bantams at Brunswick Perry Hall. He bought and paid for his own first real balling ball before joining the league a Hammer Swagga. He finished the season in 2010 with a 150 average and his first 200 game was bowled during the league championships! Hunter has finished his latest Fall-Winter League with a 230 average and has several 300 and 800 games.

Fall of 2010, Hunter began bowling JBT's, where he is currently tied for 16 Titles with Patrick Allen! Hunter also won JBT Bowler of the Year for 2016 & 2017 and earned an award for 100,000 JBT Career Pins.

Hunter has bowled in 5 PBA Regional's, earning SMART scholarship. He has bowled in 6 Jr Gold Tournaments, earning scholarship money each year, as well as earning scholarship in two years of Teen Masters. Fall of 2016, Hunter bowled his first Cecil-Harford 700 Club tournament, earning even more scholarship money by coming in 1st place!

Hunter also has 1st place titles in the Parker Bohn Youth Scholarship Tournament and two 1st place titles in the Bill O'Neil Youth Scholarship Tournaments.

His first MD State title was in 2010, his first year bowling. He and Hunter Wright were paired up on a team with two older boys (in the Senior Division). There, they took 1st place! He also earned 1st place at the MD State 600 tournament in 2014. Hunter also finished 1st at the Regional level for the High Average Tournament and finished 2nd at the State level in 2014. 2017 was also another 2nd place finish at the State level. Hunter has several 1st place finishes under Central MD as well: 2011-All Events Scratch & Handicap; 2014-All Events Scratch; 2015-Team 1st & 2nd place; 2017-Team and All Events-Scratch

Even with all the passion Hunter has for the sport, he owes a great deal of his accomplishments to his coaches; Chuck Assero, Jack Hoskins, Jake Braun and of course-his dad. He has never been one to brag about his accomplishments and does not like to be the center of attention, he just wants to bowl. He has always been a role model for the younger bowlers to look up to. Hunter would like to thank Maryland State USBC and the Youth Star of Tomorrow for this recognition. He will continue to make everyone proud and represent the YSOT with honor.
